Adrien Gagnon

Computer science developer based in Sherbrooke with a master's degree in computer science completed with distinction, I am seeking new professional challenges. Curious, efficient, and recognized for strong teamwork skills, I adapt quickly to new environments and approach complex problems with rigor and a solution-oriented mindset. My background has allowed me to build solid experience in both research and industrial settings.

Education

Master's Degree in Computer Science 2025
University of Sherbrooke

Preparatory Program in Computer Science 2024
University of Sherbrooke

Bachelor's Degree in Chemistry 2019-2022
Co-op program, University of Sherbrooke

Diploma of College Studies in Science, Literature and Arts 2017-2019
Cégep of Sherbrooke
